## QUESTIONS

Were Agricultural Interests in Fulton County Boosted By The Meeting of Last Thursday? Or Was it a boost for Governor Cox?

Does a speech in the defense of a governor's administration delivered on a so-called Farm Crop Boosters Day directed and managed by one of the same governor's commissioners, make that speech non-partisan and of value to the farmers in raising larger and more profitable crops? Is it a square deal to have a commission appointed by the governor when drawing large salaries from the state treasury, traveling over the state advertising boosters meetings in the interest of agriculture, all at the state's expense, and to the this disguise have as the primary object of that meeting an opportunity to advance a person's campaign for the nomination of governor? These are only a few of the questions that are being asked by those who heard Gov. Cox deliver his two speeches here Thursday of last week. He listened to Gov. Cox's speeches and failed to find any thing in them but a defense of his administration. It is proper and right for him to make these speeches, but it seemed to them they should have been delivered at a meeting advertised as a political meeting rather than at a meeting called for the promotion of agriculture. Interests if he meant to be square with all the political parties. It also appears to me that the expense of holding the meeting should have been borne by the party in whose interest the meeting was held rather than by the state. A committee drawing a high salary from the state treasury should be attending to the business for which it is receiving pay rather than promoting any person's campaign for the nomination of Governor.

### Good Roads.

In his address Thursday Gov. Cox discussed the road laws which were enacted by the legislature last year and gave his approval of them. In looking over the laws I find on page 449 of the session laws of 1913 section No. 1182 which the governor failed to mention. I am sure of this because I am sure of the people of this state as it refers a salaries and the appointment of persons to offices.

By comparing this section of the law with the section of the same number of the old law which Gov. Harmon approved and which was repealed by the enactment of this new law, it is seen that all this cry about Gov. Cox "building up a political ring" is made with a good deal of truth in it.

The Harmon law, page 334 of the session laws of 1911, reads as follows: Section 1182. Section 5. The state highway commissioner may also appoint the following division engineers. Not more than four in the bureau of construction and not to exceed two in the bureau of maintenance, and not to exceed two in the bureau of bridges. Each of said division engineers shall be paid a salary to be fixed by the state highway commissioner, not to exceed \$2,000 per annum, and in addition to his salary his actual traveling expenses not to exceed \$1,000 in any one year. Said state highway commissioner may also appoint a chief clerk, who shall receive a salary, fixed by the highway commissioner, not to exceed \$1,500 per annum. Not to exceed sixty per cent of the salary of the chief clerk. He may also appoint eight additional clerks or stenographers, and four of said additional clerks or stenographers shall each receive a salary fixed by the said highway commissioner not to exceed \$1,000 per annum, and four of whom shall receive a salary fixed by said highway commissioner not to exceed \$800 per annum.

This same section as approved by Gov. Cox reads as follows: "Sec. 1182. The state highway commissioner may also appoint the following division engineers: Four in the bureau of construction, two in the bureau of maintenance and repair and two in the bureau of bridges. He may also appoint as many additional division engineers as may become necessary to carry out the provisions of this chapter. Each of said division engineers shall be paid a salary to be fixed by the state highway commissioner not to exceed \$2,000 per annum, and in addition to his salary his actual traveling expenses. Said state highway commissioner may also appoint a chief clerk who shall receive a salary, fixed by the highway commissioner, not to exceed \$2,000.00 per annum. Not to exceed sixty per cent of the salary of the chief clerk. He may also appoint eight additional clerks or stenographers, and four of said additional clerks or stenographers shall each receive a salary fixed by the said highway commissioner not to exceed \$800 per annum. AND AS MANY ADDITIONAL CLERKS OR STENOGRAPHERS, AND SUCH SUPERINTENDENTS, INSPECTORS AND OTHER EMPLOYEES, and he may purchase such equipment, as he may consider necessary to carry out the provisions of this chapter. Each of the said employees shall be paid a salary to be fixed by the state highway commissioner."

## THE WHITE RIBBONS

Something doing. The W. C. T. U. will meet in the M. E. parlors Wednesday April 29, at 2 p. m. Subject: "Medical Temperance" a very profitable and interesting meeting is anticipated. This meeting will be especially interesting, and every one interested in home making and home saving is most cordially invited. Come and join us in an afternoon filled with profitable pleasure. We are a growing interest locally and nationally. If you are not a member of this world-wide organization you should not hesitate for no matter what line of work you are interested in you will find it in our work. We are non denominational and the greatest reformers and home savers the world has ever known. We are just starting in our contest with the schools and altho we have just laid to rest our beloved sister and efficient L. T. I. superintendent we are sure she like Elijah dropped her mantle upon the work which we endeavor to do as faithfully as we can. Our State Vice-President, Mrs. Ensign Fuller who represented us at the S. S. convention was much pleased with our progress also, congratulated us on our securing the band of 76 boys and girls in our "Young Campaigners. Prohibition Movement." Everyone was pleased with the bright happy children who came singing and bearing their motto "The Liquor Traffic Must Go."

## GET-TO-GETHER MEETING

Fifth Congressional District Get-Together at Wauseon Auditorium Tuesday April 28th, Luncheon To Be Served—Noted and Able Speakers.

Congressman Frank B. Willis of Ada, Hon. Ralph Cole of Indiana, and Hon. Holland C. Webster of Toledo, will address the "Get-together" meeting of the Fifth Congressional District to be held in the Wauseon Auditorium Tuesday, April 28. A free lunch is to be served at noon and the boys from the district are scheduled to arrive at eleven o'clock. At one o'clock Hon. A. L. Gehlhard of Bryan, will call the meeting to order and introduce ex-Congressman, W. W. Campbell of Napoleon, who will act as toastmaster of the meeting. Congressman Willis who is the foremost candidate for the nomination of governor of this state today needs no introduction to the people of this county. Every body knows him to be alert, keen, honest and square; a brilliant speaker with convincing argument. It makes no difference how often you hear him, you hear him you always want to hear him again.

Hon. Ralph Cole represented the eighth congressional district of this state in the National Congress for three terms. He is a splendid campaigner and his services are always in demand.

Hon. Webster of Toledo, served a number of terms as prosecuting attorney of Lucas county and is known throughout the ninth congressional district as one of its best orators. These speakers will discuss state and national issues, giving some attention to Gov. Cox and his political machine building administration. The general public is invited to this meeting.

Fulton county is now a part of the fifth congressional district. The other counties of the district are: Williams, Defiance, Paulding, Van Wert, Putnam and Henry. Reports say that large delegations are coming in for Fulton, the newest county in the district, to show the visitors a royal welcome and demonstrate by having a large and present that we are alive and active.

This is a get-together meeting and it makes no difference what political opinions you may have held in the past. If you are opposed to Gov. Cox's administration, if you believe that laws should be enacted to benefit the people of a state rather than further the building of political machines controlled by the governor; if you are opposed to being disfranchised, you are most cordially invited to this meeting.

The meeting is yours. It will be exactly what you make it. Every indication promises it will be a big success. Be a part of an organization that has for its object, a better government for Ohio, for the people to rule, and for the governor to be their servant and not their director.

Yours very truly,  
THE COMMITTEE.

COUNTY TREASURER.  
Mr. Chas. Eugene Disbrow is a candidate for the nomination for county treasurer on the Republican ticket at the primary election August 11th, 1914. Mr. Disbrow is pretty well known over the county and none who know him have any doubts as to his qualification for the office to which he aspires. Mr. Disbrow's record as a business man and public officer in Chesterfield is a good one and he has many friends in that township as well as in Clinton where he now resides.

## COUNCIL MEETING

City Fathers Consider the Town Problems and Appoint Clean Up and Paint Up Day—Issue Permit to Move Building.

Council met in regular session last Monday evening. Councilman Pontious being the only absent member. Minutes of the previous meeting were read and approved. The opening of West Jefferson street west from Brunell St., was discussed. The city solicitor had reported that the street was platted on the original Plat of Wauseon and a search of the records showed that a previous council had ordered the street opened. Mr. Sherwood explained that he had objected to the removal of dirt from that part of the street where a boulevard should be and using it to fill in on the D. T. & I. railroad right of way in order to make a street crossing.

The council were of the opinion that dirt could be found elsewhere and the street commissioner and street committee were instructed by the Mayor to see that the passage of the ordinance to narrow Brunell street the property owners signed an agreement to "move" sidewalks out and to maintain the present building line; it appears that there is nothing for the property owners to do but move their walks out and gain 20 ft. additional length to their lawns.

With the consent of the Council the Mayor appointed Monday May 4th as the annual clean up day. Rubbish not garbage—is to be brought by residents to the curb line and wagons will take it away. A nominal charge of ten cents for a barrel of rubbish will be made.

Mr. F. D. Croninger was present to ask for permission to cut a tree from the boulevard at Oak and Madison and to get permit to move a barn to the corner of Oak and Madison streets to the corner of Detroit and Oak. Permission to cut the tree was given and upon Mr. Croninger's signing bond in the sum of \$100 to make good any damages that might arise from the moving of the building, the moving permit was issued.

## WAUSEON WINNERS.

The High School Base Ball Team have earned the above title in the two games they have played thus far this season. The first game at Swanton on Friday April 10th brought a victory for the Wauseon boys, the score being 14 to 1 in their favor. Last Friday they met the Stryker High School team on Athletic Park, Wauseon and marked up a second victory with a score of 10 to 4. The game was enjoyed by the rather small crowd that witnessed it; it was a snappy game and those who were not there missed a good thing.

Friday afternoon at 3:30 The Delta High School team will be entertained by the Wauseon H. S. Team at Athletic Park. Come out and let our High School boys show you how they play ball.

Honorable Frank H. Reighard gave us much encouragement in a short address which was highly appreciated. Geo. A. Miller gave us a very fitting prayer. Give us, O Lord, a real love for the days work but deliver us from its bondage after the hours of toil are over. May we find it a joy to do the little tedious things that make up the monotony of the house or shop because they are part of the King's household, and when the day is done, may it leave us, not with tangled nerves and jarring thoughts but with the consciousness of having done our best and pleased "Thine will."

## A SURPRISE PARTY.

On last Saturday evening a number of soldiers met at the home of Mr. Daniel Dull for a birthday surprise which was so well managed as to prove a grand success. Mr. Dull was sent down town on an errand and during his absence 30 soldiers with several of the soldiers wives and a few neighbors gathered at his home. On his return he found his house crowded with soldiers. He was so confused he could say nothing. Mr. Dull was seated in the middle of the room and Mr. Levi Roy delivered an address that was full of patriotism and enthusiasm. He told of the wonderful success we had in putting down the rebellion and saving the grand old stars and stripes from being trampled in the dust by those who cheered when Sumpter fell. Then we were entertained by a number of interesting war stories. Mr. Roy then presented Mr. Dull with a fine gold headed cane which will prove a good support in his declining years. Next came a fine supper of good things, prepared by Mr. Dull's wife and his daughter Mrs. Jewies, in which all participated with a good relish. After supper Mr. Dull entertained us with his war photographs. He tendered his heart felt thanks for the kindness shown him by the G. A. R. boys. A SOLDIER FRIEND.

## ROLL OF HONOR

The Fund Receives a Boost of Half Hundred More—Gorham Township School District No. 5 Sends in a Splendid List—Oak Shade School on the Roll.

The fund for the monument has grown more to the distance from \$1800 to \$1900 since the last report; the total now stands at \$1859. The point is that its growing and not standing still. Events of the past week that have made life worth living in the secretary's office are the receipt of a subscription list from school district No. 5 Gorham township, Alice Benson, teacher, that aggregates \$35. The unique feature of this list is that it was circulated by Adam Kanauer who assumes responsibility for it and who guarantees the payment of the subscriptions on the list. Our hats off to Adam Kanauer and the people of Gorham District No. 5; their patriotism is all right—Good example!

Two other schools that are added to the roll this week are Oak Shade and District No. 10 York township all honor to the teachers, Velma Hawkins, Lura Eldridge and Grace Williams.

Teachers now is the time to get your schools on the Roll of Honor, and teach one of the best lessons in true American Patriotism that you will ever teach in all your lives.
